approved by the Md in a resolution passed in that behalf and as further endorsed by the D.C.

It is submitted in this connection, that Mr Nanjappa Setty's request for the grant of the two sites free of upset price does not appear to be reasonable, more especially because he has voluntarily come forward to construct a charitable home all by himself at his own cost.

If sanctioned, this may become the means of an inconvenient precedent in future

It is far better if the purchasers them at their current rate

The present Market value of the sites in question is not known. If approved, this information will be called for

It is also not known whether the locality selected is suitable for a Students' Rest home such

It is to be presumed that it is suitable, in view of the recommendation of the DC

As per notification of the Municipal Council Turuvekere which is also supported by the D.C Tumkur Division, to the free of upset price the sites Nos 879 and 880 to Yajaman Nanjappa Setty for constructing a Choultry for providing free lodging and boarding to poor students of Turuvekere town only may kindly be considered
